In the matter of the application of Babak Minasazi for authority to control Advanced Airporter, Inc., pursuant to Section 854 of the Public Utilities Code.

Application 01-09-043
(Filed September 26, 2001)

O P I N I O N**Summary**

Application of Nasser Fraydouni and Mahnaz Fereidouni (Sellers) to sell and Babak Minasazi (Buyer) to buy 100% of the shares of stock of Advanced Airporter, Inc. (Advanced) is granted.

Discussion

Sellers own all 4,500 shares of issued and outstanding stock of Advanced. Advanced is authorized to operate as a passenger stage corporation, pursuant to Decision (D.) 93-03-010, as amended, (1) on an on-call basis between points in the Counties of San Francisco, San Mateo, Santa Clara, Alameda, Marin, and Contra Costa, on the one hand, and San Francisco (SFO), Oakland (OAK), and San Jose (SJC) International Airports, on the other hand, and (2) on a scheduled basis between certain hotels in San Francisco, on the one hand, and the City of Sausalito, on the other hand.

Sellers request authority to sell and Buyer requests authority to purchase the 4,500 shares and thereby acquire control of Advanced. The purchase price is \$80,000, as indicated in the Business Stock Sale Agreement (Agreement), Exhibit

A to the application. Buyer will pay \$15,000 at the closing of the Agreement, \$15,000 each month for four months and \$5,000 in the fifth month.

Notice of filing of the application appeared in the Commission's Daily Calendar on October 15, 2001.

In Resolution ALJ 176-3074 dated October 25, 2001, the Commission preliminarily categorized this application as ratesetting, and preliminarily determined that hearings were not necessary. No protest has been received. Given this status, public hearing is not necessary, and it is not necessary to alter the preliminary determinations made in Resolution ALJ 176-3074.

This is an uncontested matter in which the decision grants the relief requested. Accordingly, pursuant to Pub. Util. Code § 311(g)(2), the otherwise applicable 30-day period for public review and comment is being waived.
